BOOK SYNOPSIS

Don't miss a sneak peek of Sycamore Row, John Grisham's new novel inspired by A Time to Kill, in the back of the book. The life of a ten-year-old girl is shattered by two drunken and remorseless young men. The mostly white town of Clanton in Ford County, Mississippi, reacts with shock and horror at the inhuman crime. Until her black father acquires an assault rifle and takes justice into his own outraged hands. For ten days, as burning crosses and the crack of sniper fire spread through the streets of Clanton, the nation sits spellbound as young defense attorney Jake Brigrance struggles to save his client's life—and then his own.
