BOOK SYNOPSIS

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. Creative professionals seeking the fastest, easiest, most comprehensive way to learn Adobe Dreamweaver CC (2017 release) choose Adobe Dreamweaver CC Classroom in a Book (2017 release) from the best-selling series of hands-on software training workbooks from Adobe Press. The 13 project-based lessons in this book show users step by step the key techniques for working in Dreamweaver. Learn how to create webpages for the modern web; use and customize web frameworks to build responsive designs for a wide variety of desktop computers and mobile devices with a minimum of hand coding; incorporate graphics, and text; add links to text and images; add interactive elements to your sites, such as HTML5-compatible interactivity; work with the latest HTML5 and CSS3 code and structures; and publish a finished site to the web. A 14th lesson in this book provides valuable hands-on experience with Dreamweaver's new and improved tools for coders and developers that can vastly increase your productivity. In addition, three bonus online lessons give you more information on the basics of CSS and HTML and show you how to add HTML5 animation and video to your websites. The online companion files include all the necessary assets for readers to complete the projects featured in each chapter. All buyers of the book get full access to the Web Edition: a Web-based version of the complete ebook enhanced with video and interactive multiple-choice quizzes.
