## **BOOK SYNOPSIS**

Written specifically to help you pass the Certified Case Manager (CCM) exam, this book is the ultimate resource for case managers preparing for examination. It has been created and organized based on the Commission for Case Manager Certification (CCMC) exam blueprint by a certified case manager, so readers can feel confident that they are studying pertinent material. Each of the book's chapters address one of the six knowledge domains covered on the exam: case management concepts, principles of practice, psychosocial aspects, healthcare management, rehabilitation, and healthcare reimbursement. Each chapter is further broken down to cover each of the topics outlined in the exam blueprint. CCM Certification Made Easy provides a comprehensive yet concise review of the core material needed to pass the CCM exam, and is provided in a well organized, easy to read format, to help you make the most efficient use of your study time. No filler or fluff, just the facts.
