## BOOK SYNOPSIS

The new Hunger Games... Cosmopolitan He never loved me. It was all a lie. The old Lena is dead, I say, and then push past him. Each step is more difficult that the last; the heaviness fills me and turns my limbs to stone. You must hurt, or be hurt. An all-out uprising has been ignited and Lena Haloway is right at its centre. But things have changed. The Wilds are no longer a safe haven for the rebels and pockets of resistance have opened throughout the country. And when a face from her past reappears, Lena is faced with a devastating choice that could tear her and the revolution apart. Un-put-downable, a truly fantastic finale. Guardian
